---

Welcome to Charlestown Netball Association Representative Trials. We wish you all the best of luck and most importantly do your best and enjoy yourself.

Representative level netball is very demanding. Players must be prepared to dedicate themselves to training and preparing for match play at a much higher level than club netball.

This demands commitment, perseverance and willingness to put in the best possible effort at all times. If you have any doubts about the commitment and conditions of selection, please do not stand for selection.

All players standing for selection must be a registered member of Charlestown Netball Association for the current season.

Both players and parents/guardians are asked to please read carefully the conditions of selection before completing the player's online nomination form. By completing the nomination form parent/guardian and players are acknowledging the Charlestown Netball Association rules set down therein, the Netball NSW Codes of Conduct and agreeing to abide by them throughout the representative season.

If you are unable to attend selection as set down, please complete and submit the Representative Trials Form online and submit no later than 48 hours prior to the selection date. Please provide as much information on the form as possible.

Failure to submit the form will render the nomination for selection void and the player will not be considered for selection. No late explanation for non-attendance will be accepted.

Teams are selected as per the Charlestown Netball Selection Policy. Selected players must accept or decline their position within the specified timeframe.

Parents/Guardians are to accept full responsibility for the management and costs associated with any injury sustained during any representative netball activity.

At the conclusion of the Representative Trials we will post the successful players in each age group on our Facebook page.

Like us on Facebook to keep up-to-date with all information.

For all successful junior players there will be a compulsory Parent Information Meeting on Wednesday, 8<sup>th</sup> February 2017 at 6.00pm for 12 and 13 Years and on Thursday, 9<sup>th</sup> February 2017 at 6.00pm for 14 and 15 Years. We ask that at least one Parent/Guardian be in attendance with your child at this meeting.

There is a \$460.00 Junior Player Levy and \$330.00 Levy for Senior Players. This covers Tent, Fitness, Food, Sports Trainers and Umpiring Payment for the Representative Season.

A deposit of \$100.00 is required to be deposited into the Charlestown Netball Association Representative account after the naming of the players by Friday, 17<sup>th</sup> February.
